GIANT AFRICAN SNAILS
THE CAVIAR OF ESCARGOT

This is one of Africa's best kept delicacies. These exotic snails contain Vitamin A, C & minerals. Escargot lovers will convert to these snails. Your clients' taste buds will crave these mouth-watering delights once tried. Sold out of the shell, thoroughly cleaned and frozen.

These snails grow in the wild eating vegetables, making them perfect for everyone especially Vegan Vegetarians. Sheba Foods is able to supply up to 10,000 pounds per month.

Payment Terms: (1) Discount 5% if pre-paid at time of order.
 (2) Paid in full upon delivery.

Lead Time for order: 2 weeks depending on size of order. Snails are processed fresh and then frozen once order is placed.

Return Policy: Product exchange only.

LARGE SNAILS SIZE: 1.75 OUNCES TO 3 OUNCES

REGULAR SNAILS SIZE: 0.63 OUNCE TO 1.25 OUNCES
